Aladdin's Fortune™

Introduction

We are excited to present Aladdin's Fortune™ for the TRUE 3D™ Gambler-Line on the AXXIS™ cabinet; utilizing groundbreaking TRUE 3D™ technology and based on the widely successful Wild Stays 4 Pays™ math concepts. This game positions itself with few rivals in today's competitive market.
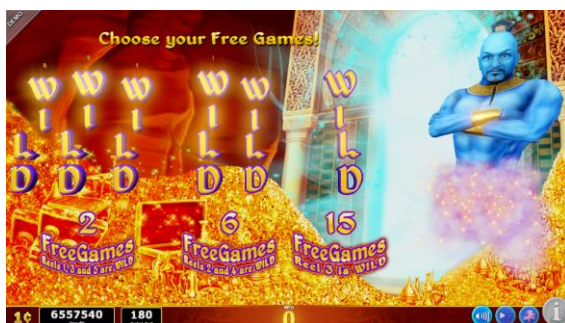

Top 3 Features

➢ Extravagant True 3D™ effects!

➢ High performing inventive Wild Stays 4 Pays™ math!

➢ A proven performer with players, volatility selection for Free Games!

Hooks

Unique Selling Propositions - USPs

➢ Stunning 3D effects utilizing GTECH's innovative True 3D™ technology.
➢ Aladdin's Fortune™ game math is derived from one of GTECH's most successful games, Golden Jungle™ which incorporates an innovative Wild Stays 4 Plays™ "binding" feature that keeps the player on the edge of their seat with every spin.
➢ An uncommonly rich base game with lots of wilds and lots of stack symbols that rewards players with big prizes!
➢ Aladdin's Fortune™ a game for the gambler, but filled with fun for everyone.

Math Characteristics

➢ Synchronized reels and an additional 2-symbol GENIE Wild potentially will reward the player with HUGE wins!
➢ The Wild Stays 4 Plays™ game functionality rewards   players with frequent wins (10 - 40 times total bet) above their bet.
➢ Proven and popular volatility **Free Games Bonus** with a selectable option for guaranteed wins. Each spin is a cliffhanger of anticipation!

Product Positioning

Aladdin's Fortune™ will be one of the very first releases in the TRUE 3D™ Gambler line. It will be a vital part of an impressive suite of several Gambler titles placed in a bank of mixed titles. This complementary approach will provide variety and propel high demand for this exciting new product.

Competitive Edge

Aladdin's Fortune™ beautifully designed with a timeless theme, combined with groundbreaking TRUE 3D™ technology and based on successful math concepts. This game positions itself with few rivals in today's competitive market.

Details

General

Join Aladdin on his journey as he seeks fame and fortune with the aid of the Genie of the Lamp Aladdin.

- ➢ Players will be mesmerized by the TRUE 3D™ experience. Auto Stereoscopic 3D (AS3D) and enhanced game features immerse the player in a unique gaming experience.
- ➢ Beautifully designed graphics and animation will literally "jump" right out at the player.
- ➢ Motion Tracking control system has rendered 3D glasses obsolete.
- ➢ Specially adapted state of the art graphics and animation.
- ➢ A grand music score is delivered in high quality Surround sound through an ergonomic "rumble" chair only enhances the experience.
- ➢ Available on the AXXIS™ 3D/39 cabinet.
- ➢ Sophisticated and innovative Wild Stays 4 Plays™ game math brings proven concepts to the next level.
- ➢ A game designed to entertain, but engineered for the true slot player.

Base Game

This game excites with a new Wild Stays 4 Plays™ approach. Collecting 4 "Magic Lamps" for a reel mystically transforms the entire reel wild for 4 consecutive spins. This provides not only much excitement, but is the basis for a compelling base-game experience. This feature extends a player's time on device anticipating the next big event. A feature that is always a player favorite, stacked symbol and synchronized reels complimented by the mystical 3D Genie (2-symbol-high wild-symbol) rewards with pleasing frequent mid-range and high-range wins.

Bonus Game

When triggered the Magic gates symbol rises mystically out of the screen and the player flies to an enchanted cave where the Genie of the Lamp awaits to grant you a wish!

3, 4 or 5 "Portal" symbols anywhere on screen will trigger the **Free Games Selection,** a powerful interactive component that enables the player to select their comfort level of risk and volatility. Select your reels! Select your free games! You are in control!
