1421 Voyages of Zheng He® Video Slots

Choose wisely.

Target Player

- Video slot players who enjoy multipliers and an element of choice in the bonus
- Asian players, and fans of the original 1421 Voyages of Zheng He® Video Slots

Benefits and Features

- Lucky eights are everywhere in this Asian themed game featuring beautiful scenery and big-win potential
- Three map symbols appearing anywhere on reels 2, 3 and 4, trigger a scatter win and entry into the player decision feature, in which players decide how the bonus round will be played:
 - The cup feature invites players to choose one of three tea cups in hopes of uncovering the golden ball and winning triple the ordinary bonus win
 - Players may also choose their volatility by selecting their desired number of free games and corresponding multipliers
- The Stacked Wilds® feature keeps players engaged with huge payout potential on every spin

Differentiation

- This classic, proven-performer is now available in high definition on our latest hardware
- Unique “all or nothing” cup bonus appeals to high-volatility players
- Culturally-enriched game mechanics and graphics combine with proven, player-favorite features to create the perfect game for the Asian market

Optimization

- Place this game in banks with other 1421 Voyages of Zheng He® Video Slots to help ensure optimal performance

Three map symbols appearing anywhere on reels 2, 3 and 4, trigger a scatter win and entry into the player decision feature, in which players decide how the bonus round will be played.

The “all or nothing” cup feature invites players to choose one of three tea cups in hopes of uncovering the golden ball and winning triple the ordinary bonus win.

The free games bonus offers random multipliers based on the players chosen number of free games. Multipliers, the Staked Wilds® feature and possible retriggers create large payout potential.

Target Player

- Players who enjoy themes with frequent wilds and multiple bonus games

Benefits and Features

- Game features a 4x5 reel configuration with a fixed bet option that allows all 40 paylines to be covered at minimum bet
- Two bonus features keep players engaged with big-win potential:
 - **Wild Ivy™ Feature:** When any reel is covered by four Wild Ivy™ symbols, a wild character appears and three free games are triggered
 - The wild character can move to any of the five reels during the free games, with more roaming characters possible throughout the bonus
 - **Free games bonus:** When three or more scattered Red Door symbols land on any of the reels, 10 free games are awarded
 - Wilds stay in place on the reels and accumulate to create a full stack of wilds that turn into the Wild Ivy™ character, which can then move to any reel for the remaining free games
 - In-game video gives players a glimpse into how the free games feature works

Differentiation

- Two bonus features showcase wilds, which can land on any reel during either bonus game
- Multiple cabinet options allow for flexibility in floor placement
- High hit frequency of wilds and easy to understand free games bonuses keep players engaged and create anticipation

Optimization

- Placing this game with other low-denomination themes will help ensure optimal performance

When any reel is covered by four Wild Ivy™ symbols, three free games are awarded and a wild character appears.

The wild character can move to any of the five reels during both free games features, with more roaming characters possible throughout each bonus.

Three or more scattered Red Door symbols on any of the reels awards 10 free games.

Golden Egypt™ Video Slots

Fit for a king.

Target Player

- Low-denomination players who enjoy frequent base game features and free games bonuses
- Fans of the Wild Stay feature found in games such as Golden Jungle™ Video Slots and Aladdin's Fortune™ 3D Video Slots

Benefits and Features

- Players love the frequently occurring, high-paying Wild Stays 2 Pays feature:
 - Each coin symbol that lands on a reel activates a coin icon displayed above that reel. Collecting two icons above the reel turns the entire reel wild for the next two wagered spins.
 - The possibility for multiple wild reels creates big-win opportunities in the base game that keep players engaged
- Tutankhamun double symbols provide exhilarating win opportunities in conjunction with wild reels
- Three or more pyramid symbols trigger the free games bonus:
 - Players select their desired number of free games and associated wild reels, allowing them to choose their free games experience
 - The selected number of wild reels changes position before each bonus spin

Differentiation

- The Wild Stay 2 Pays feature occurs more frequently in the base game, keeping play engaging between bonus triggers
- Multiple cabinet options allow for flexibility in floor placement

Optimization

- Placing this game with other Wild Stays games will help ensure optimal performance

During the Wild Stays 2 Pays feature each coin symbol that lands on a reel activates a coin icon displayed above that reel. Collecting two icons above the reel turns the entire reel wild for the next two wagered spins.

Tutankhamun double symbols provide exhilarating win opportunities in conjunction with wild reels.

When the free games bonus is triggered, players select their desired number of free games and corresponding wild reels. The selected number of wild reels changes position before each bonus spin.

Kayo Dragon™ Video Slots

The luck is yours!

Target Player

- Low-denomination players who enjoy frequent base game features and free games bonuses

Benefits and Features

- A mixture of traditional reels with stunning artwork and cascading reels keeps players engaged in both the main game and bonus games
- In the cascading reels feature, winning symbols on reels two and four allow for all symbols above them to move down, the screen is then re-analyzed for any additional wins and the feature continues to cascade until no awards are left
- This theme also includes two bonus features that are sure to excite:
 - **Lucky cat pick-a-prize bonus:**
 - Players are entered into the bonus when the full, two-high Lucky Cat symbol lands in the base game on reel three
 - Players are prompted to select one of three presents on screen to be awarded a credit prize
 - **Free games bonus:**
 - When three gong symbols appear on reels one, three and five, players are awarded nine free games
 - When a wild dragon symbol appears and is involved in a line win, the wild dragon respin feature is awarded in which the dragon expands to take over the full reel and it remains wild until the respin feature is complete

Differentiation

- The new cascading reels feature creates win-it-again events that drive coin-in
- Opportunity for large wins to occur with the wild dragon respin feature during the free games bonus, which offers a new take on making free games last longer at no cost to the player

Optimization

- Placing this game with other low-denomination themes with free games bonuses will help ensure optimal performance

The present selected in the lucky cat bonus will reveal a credit prize to players, along with a lucky cat 'meow'.

When single wild dragon symbols appear and are involved in a line win, the wild dragon respin feature is triggered and the dragon expands to cover the full reel as a wild symbol before the respin.

It is possible to have the wild dragon respin feature on every spin of the nine free games, giving players the chance to win big.

Northern Fortunes™ Video Slots

Fortunes
favors the
wild.

Target Player

- Players who enjoy low-denomination themes with exciting free games

Benefits and Features

- Game features a 4x5 reel configuration with a fixed bet option that allows all 50 paylines to be covered at minimum bet
- Three, four or five scattered “bonus” symbols trigger the free games:
 - Ten, 15 or 20 free games are awarded depending on the number of initiating symbols
 - Free games are retriggered frequently, increasing player excitement
- Dynamically increasing wilds feature keeps players engaged during the free games:
 - Each time a win is formed with a wild, all other symbols in that winning combination will become wild for all remaining free games and retriggers, increasing the big-win potential on every spin
 - Wilds appear on reels two, three, and four
 - As more wilds are added to the reels, the volatility increases with each successive free game

Differentiation

- In the free games, dynamically increasing wilds turn all symbols in a winning combination wild for the duration of the bonus round, dramatically increasing the hit rate
- Multiple cabinet options allow for greater flexibility in floor placement

Optimization

- Placing this game with other low-denomination core themes will help ensure optimal performance

In the free games, dynamically increasing wilds turn all symbols in a winning combination wild for the duration of the bonus round.

As more wilds are added to the reels the volatility increases with each successive free game, increasing player excitement with every spin.

Wins are highlighted by a sparkling box that makes all wins clear and easy to understand.
