ATRONIC'S BRAND NEW **MULTI GAME**

ATRONIC[®]
Great Games Great People

diversity™ - MORE CHOICE, MORE FUN, MORE PROFITS!

GIVE PLAYERS THE SELECTION THEY WANT - ALL ON ONE GREAT TERMINAL!

ATRONIC's new multi-game solution, diversity, offers the broad range of casino gaming in one complete package. Featuring brand-new and top-ranking ATRONIC games packaged in unique game suites, diversity allows players to select their preferred game type and volatility from one single gaming machine!

With 22-inch dual screens, diversity's reel strips are larger and easier to see, while a new simplified button panel maximises player comfort and convenience. Featuring suites of up to 10 games with top performing games including standalone progressives, diversity provides variety in space-limited venues, extends play and profit-per-customer and attracts new players.

Diversify your floor, save space, and build player excitement with diversity.

GAMES

Providing unique game packages, diversity features various game suites. Each suite is available in a standard version of 6 games and a deluxe version of 10 games. Players can choose from four game types with different volatility levels:

LINE ACTION featuring players' favourite core games, e.g. Princess of the Amazon™, Treasures of the Pyramids™, Mighty Miner™, and many more

THRILLER JACKPOTS featuring proven, top-performing CASH FEVER™ Standalone Progressive titles, e.g. Time for Money™ or Deep Diamonds™

CLASSIC SLOTS featuring traditional volatile, low-line games, e.g. Liberty Bell™ or Brilliant Fruits™

NO LIMITS featuring the unique, extremely volatile non-reel game Triple Way Hi-Lo™

For each game players can choose their individual denomination and bet while the payable is conveniently shown on the top screen.

diversity - More Choice = More Fun = More Profits!

ENHANCED GAMING EXPERIENCE

The inspiring ergonomic design of diversity is sure to attract players of all types. With a 16:10 screen ratio, the dual 22-inch TFT widescreens provide a bigger and better gaming experience for the player. The new simplified button panel as well as the convenient positioning of peripherals such as bill acceptor, coin entry, ticket printer and player tracking inserts ensure maximum player comfort. The soft oversized armrest and large coinbowl ensure a relaxed and comfortable playing experience.

diversity supports all state-of-the-art player features like:

- Fast and individual reel stop
- "Speed" button to increase reel spinning speed
- Player selectable language options (English, Spanish, French, Russian, Chinese)
- Adjustable sound volume
- Various Bonusing options including high stake bonus, denomination bonus, player attraction bonus and more
- Multi-denomination
- Numerous Attract Modes, providing action on screen and inviting players to the gaming machine
- Flexible Gamble Feature - allows players to wager only a portion of each win, and setting a wager amount for future wins with the Auto gamble feature.
